MESSAGE FROM THE PRESIDENT

Assalamu Alaikum!

May the peace and blessings of Allah (God) be with you all.

In this milestone year, where we celebrate **30 remarkable years** of unwavering service to humanity and support for Canadians in need, our hearts brim with gratitude, humility, and deep reverence for the vision set forth by our beloved founders, Muhammad Abbas Ali and his wife Sarwar Jahan Begum.

Post his military service, his life became a tapestry of adventure and deep commitment to alleviating the suffering of the underprivileged. His vision, imbued with **an unyielding desire to assist the poor and disenfranchised**, has been the guiding star of MWC's journey over these 30 years. Today, as we reflect upon and celebrate the myriad ways in which this vision has come to fruition, we see a legacy alive and thriving, reaching out to the corners of the world and providing support to Canadians in need.

From nourishing the vulnerable, and ensuring healthcare for all, to empowering children with education and resources for a brighter future, we witness Major Abbas Ali and Sarwar Jahan Begum's dream unfolding into reality each day. And as the bricks of our long-term

care facility in Courtice, Ontario, are laid down, we not only see a building taking shape but the embodiment of a vision - a safe, nurturing haven for seniors, echoing our founders' compassion and commitment to service.

Yet, this is just the beginning. The tapestry is continually woven with threads of service, kindness, and love, with each initiative, every volunteer, and the generous donations received. Together, as we forge ahead, let's honour Major Abbas Ali and Sarwar Jahan Begum's legacy by living their vision, expanding the realms of our service, and deepening the well of our impact.

May Allah's blessings continue to shower upon us as we walk this path laid out by our esteemed founders.

Ameen.
